MEMORANDUM

TO:

Joseph A. Grill and David Berlin
United States Attorney's Office
Dallas, Texas

FROM:

Robert F. Foulke

I hope that while you are in Dallas you check Oswald's room at 1026 N. Peckley to determine whether certain rolls were rented and, if they were, whether Oswald had any conversations with either Mrs. Johnson or Mrs. Roberts. I have been reading a document entitled "Oswald, the Impostor Assassin" by a French author who apparently visited Oswald's room and writes quite a point of the cost for curtains in that particular room.
